Administrator's Report – Karen Luckett, Dean of Students

Mrs. Luckett, Dean of Students, informed the PTF about the retreat program at CTCS. CTCS has had over 25 successful retreats. Sarah Sewell started the program in 2008. The goal of the retreat programs is class unity, discipleship and missions. The 6th grade class goes to Camp Tejas for 5 days. The 6th graders have several service projects they help with at Camp Tejas. The retreat program is led by high school counselors who are trained prior to the retreat. In 8th grade, the group travels to Enchanted Rock where they backpack, camp, set up their own tents and cook their own food. They go canoeing and repelling, too. The spiritual aspect is that God is with them and meets their every need. In 10th grade, the students head back to Camp Tejas. The retreat lasts over the weekend and they serve Camp Tejas, as well. In 12th grade, the students go to Colorado Springs before school starts. The Senior class bonds

and decides what kind of legacy they want to leave the school. They also hike, visit Pike's Peak and do several team building activities.
